

## **VNAA Selects HealthWyse as Its First Point-of-Care Software Solution for Its Members**

Reading, MA. – October 11, 2004 - Visiting Nurse Associations of America (VNAA) has contracted with HealthWyse as its preferred point-of-care software solutions vendor for its members. HealthWyse offers a completely integrated solution for VNA's from point-of-care to billing.

HealthWyse was selected because of its intuitive point-of-care solution. Most importantly, HealthWyse was selected because of its reputation for customer satisfaction with current VNA customers. "HealthWyse gives us the tools to measure and react to all aspects of our work – clinical outcomes, staffing, responsiveness to our patients and referrers, and fiscal accountability" says Joan Hull, President and CEO of Home Health VNA in Lawrence, MA.

VNAA's President and CEO, Carolyn Markey says, "In today's homecare business environment, VNAs require tools that meet all of their operational needs in a comprehensive yet user- friendly way. We believe that HealthWyse gives members a solid, state of the art solution for staying on top of their business."

"We are honored to be chosen by VNAA as a preferred software solution for its members. HealthWyse is dedicated to the success of our customers. We have enjoyed excellent relationships with VNA members," says Mike Kramer PhD, President and CEO.

### **About HealthWyse**

HealthWyse is a Massachusetts based company in its seventh year of providing information services to the Home Health and Hospice Community. The company has developed a comprehensive, lower cost solution addressing the needs of the growing home care market. Its unique products and services make the HealthWyse solution a viable option for VNAs of all sizes.

### **About the VNAA**

The VNAA is the official national association for non-profit, community-based Visiting Nurse Agencies, who care for and treat approximately 4 million patients each year. The nation's network of 415+ Visiting Nurse Associations employ nearly 150,000 health care professionals, and share a non-profit mission to provide cost-effective and compassionate home health care to some of the nation's most vulnerable individuals, particularly the elderly and individuals with disabilities. The VNAA has a wide range of resources available on its award-winning website about home health care and things to ask about when considering home health care. Click [www.vnaa.org](http://www.vnaa.org) to locate a VNA near you.
